

Product Code	Product Name	Product Description	List Price
<b>Hardware Group: Monitoring Platform</b>			
X1	Observant X1	X1; Indoor field unit. Power supply required	\$1,375.00
C2	Observant C2	C2; Solar powered field unit, monitoring and automation	\$2,125.00
C2E	Observant C2e – Monitoring Only	C2e; Solar powered field unit, monitoring only, limited inputs	\$1,625.00
C2-UPG	Upgrade C2e to C2	Upgrade C2e to C2	\$595.00
C2-R8	C2 Repeater Kit	C2 Repeater Kit with Mounting Hardware Heavy-duty 1.8m COL6dB antenna with 8m RG213 cable for mounting 8m above ground level	\$1,780.00
PI	Observant Pico	Pico; 900 Mhz based embeddable monitoring unit for indoor, powered applications	\$995.00
<b>Hardware Group: Antenna Mounting Configurations</b>			
AK-6	Antenna 6m AGL	Heavy-duty 2.2m COL6dB antenna with 6m RG213 cable for mounting 6m above ground level for C2, C2e + X1	\$195.00
AK-12	Antenna 12m AGL	Heavy-duty 2.2m COL6dB antenna with 12m RG213 cable for mounting 12m above ground level for C2, C2e + X1	\$225.00
AK-2	Antenna 2m AGL	4.5dB stainless steel whip antenna for mounting on integrated raised feed for C2 + C2e	\$85.00
AK-8	Antenna 8m AGL	Heavy-duty 2.2m COL6dB antenna with 8m RG213 cable for mounting 8m above ground level for C2, C2e + X1	\$205.00
PC-AK	Antenna Kit - Pico	Antenna kit with 10m cable for Pico	\$105.00
<b>Hardware Group: Power Supply</b>			
PWR	AC power adaptor suitable for C2, C2e, & X1	AC power adaptor suitable for C2, C2e, & X1	\$75.00
C2-SOL	C2 Auxiliary Solar Power Input Kit	Adds an extra 14W solar power input source to a C2	\$305.00
<b>Hardware Group: Engine Control</b>			
M2	M2 Engine Controller	M2 Engine Controller; electronic protection and control system for diesel and petrol engines. - requires wiring harness	\$995.00
M2-YMR	Yanmar TF/TNV wiring harness	Observant Wiring Harness For Observant-ready TF + TNV series Yanmar engine	\$110.00
M2-SOL	M2 Solar Power Kit	Observant M2 Solar Power Kit 4m cable with M2 power connector	\$295.00
M2-CWR	Reseller/Customer Supplied Wiring Harness	M2 Engine Controller wiring harness to be specified and supplied by reseller or customer. Ensure that specification of harness is suitable for connection to M2.	\$0.00
<b>Hardware Group: Integrated Sensing and Measurement Products</b>			
L1-2400	Level Sensor 2400mm	Observant Level Sensor (2400mm range, total length 2795mm) 60cm cable with 4 pin female device connector	\$455.00
RGB	Davis Rain Gauge	Davis Instruments Rain Gauge + applicable cable 10m cable with bare ends	\$345.00
FMB	Electric Fence Monitor	Pakton Electric Fence Monitor + applicable cable 4m cable with Observant port connector	\$430.00
VWB	Vaisala Weather Station	Vaisala Weather Station + Interface Kit Bundle 60cm cable with 4 pin female device connector	\$3,995.00
V1	V1 Digital Camera	V1 digital still image camera with 60cm cable with 4 pin female device connector	\$695.00
RGB	Tipping Bucket Rain Gauge	Davis Instruments Rain Gauge + applicable cable	\$345.00

**Hardware Group: Interface Kits to Third Party Equipment**

NIK485	Nutridose Interface Kit	Nutridose Interface Kit 60cm cable with 4 pin female device connector	\$345.00
TTK	TruTest XR-3000 Interface Kit	TruTest XR-3000 Interface Kit 60cm cable with 4 pin female device connector	\$605.00
VIK	Vaisala Weather Station Interface Kit	Vaisala Weather Station Interface Kit 60cm cable with 4 pin female device connector	\$315.00
PLK	Plasmatronics Interface Kit	Plasmatronics PL Series Solar Charge Control Interface Kit 3m cable with male DB9 to 9 pin Observant connector	\$125.00
MNK	Mono SunSub SMC Interface Kit	Mono SunSub SMC Interface Kit 60cm cable with 4 pin female device connector	\$430.00

**Hardware Group: Cable Systems**

DOC	6m Device Cable	6m device to Observant port adapter cable	\$65.00
DBE	6m Device Bare Ends Cable	60cm device connector (male) to bare ends cable	\$25.00
DCE	10m Device Extension Cable	10m device connector extension cable	\$70.00

**Hardware Group: Connectivity**

MMPC	Data/Power Cable MMM-Pico	30cm integrated power + data cable for MMM to Pico	\$25.00
BX-12	Base Kit	Base Kit with X1, 6dB UHF Antenna, 12m Antenna Cable, USB cable, Observant software CD	\$1,495.00
MMC2	Data/Power Cable MMM-C2	30cm integrated power + data cable for MMM to C2	\$25.00
MOX	Moxa Serial to Ethernet Converter	Moxa Serial to Ethernet converter	\$255.00
MMM	3G Data Modem	3G Data Modem	\$695.00
MMAK	Antenna Kit-3G Modem-Pico/X1	3G Modem Field Antenna Kit with 10m cable for Pico & X1	\$105.00
MMX1	Data/Power Cable MMM to X1	30cm integrated power + data cable for MMM to X1	\$25.00
MMAK-C2	Antenna Kit-3G Modem-C2	3G Modem Field Antenna Kit with 10m cable suitable for C2	\$105.00

**Hardware Group: Customisation - Installation**

RAD	UHF Radio Survey	UHF Radio Survey	\$120.00
-----	------------------	------------------	----------

**Services: Managed Software Services \*\* Pricing Direct to Customer \*\***

MSS	Managed Services Subscription (Annual)	Recurring annual subscription to Observant Managed Services including 2 managed unit subscriptions	\$225.00
MSS-3G	Managed Services Subscription 3G (Annual)	Recurring annual subscription to Observant Managed Services including 2 managed unit subscriptions via 3G carrier network	\$345.00
MUS	Managed Unit Subscription (Annual)	Recurring annual subscription to add a managed unit (C2, C2e, X1 etc) to a Managed Services Subscription	\$60.00
MUS-3G	Managed Unit Subscription 3G (Annual)	Recurring annual subscription to add a managed unit (C2, C2e, X1 etc) to a Managed Services Subscription via 3G network carrier connection	\$120.00

**Terms and Conditions**

All orders placed are subject to the Observant Reseller Terms & Conditions. The latest version of the Terms & Conditions is available from the observant web site at <http://www.observant.com.au/reseller>

**How to Order**

For assistance in specifying a system and placing an order, please refer to our reseller guides available on the Observant website at <http://www.observant.com.au/reseller>
